

# RXSOL

VARANASI CHEMICAL | RX MARINE INTERNATIONAL

**RXSOL-69-3625-578**  
NILE BLUE SULPHATE

## Material Safety Data Sheet (MSDS)

[www.rxmarine.com](http://www.rxmarine.com)

### 1. Product and Company Identification

|              |                                                   |
|--------------|---------------------------------------------------|
| Product Name | RXSOL-22-2010-0220                                |
| Product Type | Marine Clean Bulk HCP Alkaleen Heavy Duty 210 Ltr |

#### Company Details:

RX MARINE INTERNATIONAL  
105, A wing , BSEL , TECH PARK.  
VASHI ,NEW BOMBAY 400703 INDIA

Stock Point ::: Canada, Muscat, Fujairah, Kenya Mombasa, Mumbai, Gandhidham, Kolkata, Vizag, Chennai

|         |                                                          |

### 2. Composition / Information on ingredients

SURFACTANT ( ANIONIC & NON-IONIC ) , LAB , Alkaline hydroxide Strong alkaline cleaner Declaration according recommendation 89/542/EEG.

chelating agents, meta silicate and additives (biodegradable > 90%)

Water, Silicate, Isotridecanoethoxylate, Organic compound.

#### HAZARDOUS INGREDIENTS:

CAS NO. EINECS NO. CHEMICAL NAME WT % SYMBOL R-PHRASES

1310-58-3 2151855 Potassium hydroxide 15 - 20 C 35

6834-92-0 2299129 Disodium metasilicate 1 - 5 C 34,37

9043-30-5 Polymer Isotridecanoethoxylate 1 - 5 Xn 22, 41

Refer to section 16 for descriptions of relevant risk phrases and Notas.

\*See Section 16

[www.rxmarine.com](http://www.rxmarine.com)

### 3. Hazards Identification

|                       |      |
|-----------------------|------|
| Environmental Hazards | None |
|-----------------------|------|

|                      |                                  |
|----------------------|----------------------------------|
| Human Health Hazards | R 35:Causes skin burning effects |
|                      |                                  |

#### 4. First Aid Measures

[www.rxmarine.com](http://www.rxmarine.com)

|              |                                                                                    |
|--------------|------------------------------------------------------------------------------------|
| Inhalation   | NO Fumes, Harmful supply or remove to fresh air and seek medical advice attention. |
| Skin Contact | Rinse with running water and soap. Skin care. Remove contaminated clothes.         |
| Eye Contact  | Flush with running water for at least 15 minutes Immediately .                     |
| Ingestion    | Vomiting is dangerous , seek medical attention.                                    |

#### 5. Fire-fighting Measures

[www.rxmarine.com](http://www.rxmarine.com)

Non Combustible Product

|                            |                                          |
|----------------------------|------------------------------------------|
| Suitable                   | N.A. can use foam dry Co2 , water-spray. |
| Not suitable               | Not applicable                           |
| Special                    | Not applicable                           |
| Protection of fire Fighter | Not applicable                           |

Special protective equipment for fire-fighters: Wear protective equipment.

#### 6. Accidental Release Measures

[www.rxmarine.com](http://www.rxmarine.com)

|                          |                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------|
| Environmental Precaution | Direct flow into drainage system, surface or ground water is prohibited.                           |
| Cleaning Method          | Flush Spill Area with Water and remove with liquid-absorbing material like foam sand,sawdust etc.. |

#### 7. Handling and Storage

[www.rxmarine.com](http://www.rxmarine.com)

|                    |                                             |
|--------------------|---------------------------------------------|
| Condition to Avoid | Non flammable but avoid direct heating      |
| Materials to Avoid | Do not subject to Acidic / Oxidizing Agents |
| Handling           | Keep Container Tightly Closed               |

Note:Eyewash facilities require at workplace The product causes corrosion on skin and mucous membranes Pl.

Note that In case of discharge

of acidic or alkaline products into the sewerage system the pH must be in the range of 6-10 since higher or lower pH values may damage the sewerage system or impair biological dosage treatment plants. So that for maintaining pH we have to add acidic / basic medium neutraliser .

For example if pH is less than 6 basic neutraliser is required and if pH is more than 10 acidic nature neutraliser is required. •Dilute in water (always use plastic jar )

## 8. Exposure controls and personal protection

www.rxmarine.com

Personal protection :

|                               |                                                  |
|-------------------------------|--------------------------------------------------|
| Respiratory System Protection | Approved respirator must be worn when spraying   |
| Eye Protection                | Cear eye protection (on possibility of contact ) |
| Hand protection               | Cear PVC chemical resistance protective glove    |

Gloves

Suit

Goggles

No\_Smoking

## 9. Physical and chemical properties

www.rxmarine.com

Product Properties:

|               |                                                     |
|---------------|-----------------------------------------------------|
| Appearance    | Pale clear liquid                                   |
| Density       | In g/cm <sup>3</sup> at 20°C: Spec. gravity : 1.035 |
| Compatibility |                                                     |
| Metal         | No known effect                                     |
| Rubber        | No known effect                                     |
| pH            | Alkaline ( 12.7 - 13 )                              |
| Flash point   | Not Applicable                                      |
| Solubility    | 100% soluble in water                               |
| Packaging     | Size (in Litres)                                    |

## 10. Stability and reactivity

www.rxmarine.com

|                                  |                                                                                                                                     |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Hazardous Decomposition Products | Do not occur if stored and used as directed. FIRE combustion CO, CO <sub>2</sub> , NH <sub>3</sub> , SOX etc hazardous gas produced |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|

NOTE : Avoid Contact With Acid

## 11. Toxicological information

www.rxmarine.com

**Comment** - Not applicable , Emulsifies in water and biodegradable.

## 12. Ecological information

www.rxmarine.com

95 % added surfactants are biodegradable as per by international regulation .This material must be disposed with local national regulations.

### 13. Disposal considerations

www.rxmarine.com

As per guide line of local rules and regulation and before disposal and neutralization pl. refer 07 article.

### 14. Transport information

www.rxmarine.com
